### WILLIMANTIC

Norwich Bulletin Willimantic Office, 23 Church St. Telephone 105.

All the soldiers were more or less busy Friday, telling of their various experiences during their career in France. Every soldier noted on the streets was surrounded by a lot of friends and he was not allowed to pass until he had told "all he knew" and then some, in most cases. While they all admitted they would not have missed the experience for anything, at the same time they all agreed they would not care for any more of it.

Arrangements for a series of dances to be held in the state armory have been completed by A. C. Tyler, Camp No. 8, United Spanish War Veterans. The proceeds are to be used toward a reception to be given at a later date for the local returned soldiers of the world war.

Frank Glus and Wincenty Kokaszka, both of Willimantic, were before the police court Friday morning, charged with being intoxicated and there was not much doubt as to their guilt as they were found in a helpless condition Thursday night on Union street and had to be brought to the station in an automobile. Both men pleaded guilty. Glus was fined \$1 and costs, amounting to \$3.60 and he was placed in charge of the probation officer until he settles the bill. Kokaszka was fined \$1 and costs amounting to \$7.50 which he paid.

Then the cases of the five young men arrested Thursday in connection with the missing money in the store of Bacon Bros. on Jackson street occupied the attention of the court. Horvath, the boy who admitted stealing the money, said in telling his story to the court that the other boys had nothing to do with that part of it; that they happened to find some of the money under the veranda of his home where he had hidden it for future use. The other four boys claimed they did not know the money was stolen until they were taken into custody. In view of the circumstances and the youthful age of the boys, Deputy Judge Frank P. Fenton, who occupied the bench, withdrew the charges against the four boys and gave them some good sound advice, which it is hoped they will adhere to. In the case of the Horvath boy, he was placed in charge of the probation officer for six months. The parents of the boys in the case were advised to see that these boys got into no further trouble for in case they did, there would be nothing else to do but to send them to the State School for Boys at Meriden.

It is Edward Connaughton, not William as reported in Friday's Bulletin.

### ANGER LURKS IN EVERY ONE OF US

We Are As Full of Deadly Poisons As A Germ Laboratory.

### AUTO-INTOXICATION OR SELF-POISONING

"FRUIT-A-TIVES" Absolutely Prevents This Dangerous Condition.

The chief cause of poor health is our neglect of the bowels. Waste matter, instead of passing from the lower intestine regularly every day, is allowed to remain there, generating poisons which are absorbed by the blood.

In other words, a person who is habitually constipated, is poisoning himself. We know now that Auto-intoxication, due to non-action of the bowels, is directly responsible for serious kidney and bladder troubles; that it upsets the stomach, causes indigestion, Loss of Appetite and Sleeplessness; that chronic Rheumatism, Gout, Pain In The Back, are relieved as soon as the bowels become regular; and that Pimples, Rash, Eczema and other Skin Affections disappear when "Fruit-a-tives" are taken to correct Constipation.

"Fruit-a-tives" (or Fruit Liver Tablets) will protect you against Auto-intoxication.

## INOROUT

### The All-Round Varnish

Have you a door or a mantel to varnish, a chair, a fine mahogany table, a pair of oars, the spars of a boat, an automobile? Then buy a can of In-or-Out Varnish. Not one kind of varnish for inside work and another for outside—just the one can of In-or-Out for all kinds of work.

In-or-Out has withstood every varnish test ever conceived—live steam, hot water, sea water, broiling sun, rain, snow. We know of no other varnish that will hold up against it on tests or that will do a finer job under any conditions. Gallons, quarts, pints.

who is suffering from shell shock. The unfortunate man was taken Friday morning to the Norwich State Hospital for treatment after being brought to his home in this city by his relatives from the Medical Corps Hospital at Fort Porter, N. Y., where he had been under treatment. Many people in Willimantic have expressed the opinion that he never should have been taken into the service owing to his nervous temperament and condition.

The members of Francis S. Long Post, No. 59, G. A. R., are also invited to attend the meeting of the Willimantic Chapter of Commerce next Tuesday night in addition to all returned soldiers in this city and vicinity.

H. C. Foster of Lebanon, while waiting for a train Friday noon at the local station, was taken suddenly ill and fainted. Dr. Welton was called and the young man was taken to St. Joseph's hospital. It was found he was suffering from leakage of the heart. Later in the afternoon, he left the hospital and returned to his home in Lebanon.

The many friends and acquaintances of Miss Harriet Maria Taylor were grieved to learn of her death which occurred Friday morning at the home of her brother, George F. Taylor of 133 Church street, with whom she made her home for many years. Her death came after a long illness. Miss Taylor was 58 years old last December 17th and had been a resident of this city practically all her life. She was born in St. Johnsbury, Vt., the daughter of Edward and Harriet Maria (Clark) Taylor, and received her education in the State Normal School and State Normal School. Later she taught school in Northampton, Mass., and also in the Natchaug School in Willimantic. She was a member of the First Congregational church and the Ladies Society of that church and also a member of the Willimantic Woman's Club. Miss Taylor made many friends in this city owing to her fine and agreeable personality. She is survived by her brother, George F. Taylor, a niece, Miss Ruth Taylor, her nephew, Harold L. Taylor, all of Willimantic.

The funeral of Mrs. Jane C. (Brown) Pratt was held Friday afternoon at 2 o'clock from her late home in Windham, Conn. Rev. M. R. Plumb officiated. There were many handsome floral tributes. Burial took place in the Reed cemetery, Lisbon.

### NOANK

Frank G. Lamphere died at his home in Brook street, Wednesday, after suffering for about three months. He was the son of Gordon and Phoebe Lamphere. He was a house carpenter by trade in his early life coming from this into the old Palmer ship yard and working there for many years. Of late he was employed at the Groton Iron Works until forced by illness to give up work. Mr. Lamphere is survived by a daughter, Mrs. Phoebe Chester, and a sister, Mrs. Lina Ashbury. Burial will be in the family plot in Valley cemetery.

Everything is quiet in the Groton Iron Works here. Wednesday saw the close of the government work at the yard. The bony fish boats are the only work left to be completed and only a few men have been retained to care for these. All of the carpenters and plankers have been laid off. Some of the men have already been out of town looking for work. The Groton Iron Works in Groton having trouble with their air lines are not hiring this week and doctor after doctor only a few men off for the rest of the week because of this trouble.

Mrs. Mary C. Latham attended the installation of Home Rebekah Lodge of Groton, Thursday evening. A salad supper was served and was followed by an entertainment.

Miss Ada May Davis has been visiting at Quaker Hill.  
Vet weather has prevented work on the boats recently uncovered at the Elbridge yard in West View.  
The World Wide guild of the Baptist church held a meeting Friday evening at the home of Miss Jessie Chesbro.  
There was a meeting of Liberty council, Daughters of America in Mechanics hall in Front street Wednesday evening.  
The forms on the concrete of the sub-station at West View have been removed and given a good idea of how the building will look when finished.

### LEBANON

The funeral of Mrs. William Palmer was held from the Baptist church Sunday at one o'clock. Rev. E. J. Ayers, of Norwich, conducted the services. There were many beautiful flowers. A male quartette, A. A. Boothby, George Briggs, Eugene Clark and C. H. Foster, sang Under the Wing, and Beautiful Isle of Somewhere. Much sympathy is felt for her family and she will be greatly missed by her friends and the church, where she was a faithful worker in all departments.

Miss Addie Hallen has been spending a few days with friends in Hartford.

Mrs. Carl Hallen has returned after spending some time at her former home in Oswego, N. Y.

Miss Hattie Hendricks of Waterbury is visiting at Henry Williams'. Prof. Edwin Robinson of East Hartford, spent the week end with relatives here.

### Rheumatism

A HOME CURE GIVEN BY ONE WHO HAD IT  
In the spring of 1893 I was attacked by muscular and inflammatory Rheumatism. I suffered as only those who have it know, for over three years. I tried remedies after remedies, and doctor after doctor, but such relief as I received was only temporary. Finally, I found a remedy that cured me completely, and it has never returned. I have given it to a number who were terribly afflicted and even bedridden with Rheumatism, and it effected a cure in every case. I want every sufferer from any form of rheumatic trouble to try this marvelous healing power. Don't send a cent; simply mail your name and address, and I will send it free to you. After you have used it and it has proven itself to be that long-sought remedy that cured me, I will send you a copy of the book "Rheumatism, how you are perfectly satisfied to send it. Isn't that fair? Why suffer any longer when positive relief is thus offered you free? Don't delay. Write today.
